The United Nations Human Settlements Programme (UN-Habitat) presents its compliments to the Permanent and Observer Missions to UN-Habitat and has the honour, on behalf of the Chair, to invite the latter to the 2018-2019 Fifth meeting of the Subcommittee on Policy and Programme of Work of the Committee of Permanent Representatives (CPR), which will be held on Monday, 19 March 2018, at 2.00p.m in Conference Room 4 at the United Nations Office in Nairobi. The meeting will discuss the thematic/ country activities in Africa with specific cases of Angola, Ethiopia, Mozambique and Rwanda.

The thematic/ country activities is a standing item of the regular meetings of the CPR, and in line with the recommendation of the CPR, a subcommittee meeting on the agenda item is to be held prior to the regular meetings of the CPR in order to allow more time for indepth discussions. As such, this subcommittee meeting is being held just before the 68th Regular meeting which will take place on Wednesday, 21 March 2018.

The Agenda of the subcommittee meeting, therefore, will be as follows;
1. Adoption of the provisional Agenda.
2. Presentation and Discussion on the Thematic/ Country Presentation on UN-Habitat activities in Africa.
3. Any other matters.

The background document for the subcommittee was previously shared on 7 March 2018 as part of the documentation for the 68th regular meeting and is attached for ease of reference.

A soft copy of the background document is available on the CPR Extranet (www.unhabitat.org/cpr, username: cpr, password: cprdocs). In addition, UN-Habitat would be grateful if Member States could bring their own copy in light of the Paper-smart Initiative by the United Nations General Assembly.

The United Nations Human Settlements Programme avails itself of this opportunity to renew to the Permanent and Observer Missions to UN-Habitat the assurance of its highest consideration.
