About
Reporting Guidelines
A Better future for all and sustainable urban development

The 2030 Agenda for Sustainable Development, adopted by all United Nations Member States in 2015, provides a shared blueprint for peace and prosperity for people and the planet, now and into the future.

SDG 7
A short writeup on how our work contributes to the highlighted SDG. This must be brief - one short paragraph.

We provide research output and other output for Beneficiaries

Beneficiaries people are benefiting from improved access to water and sanitation

Slum dwellers have been positively impacted by participatory slum upgrading interventions

2 million 4 million 500,000

The designations employed and the presentation of material in the map(s) do not imply the expression of any opinion whatsoever of UN-Habitat concerning the legal or constitutional status of any country, territory or sea area, or concerning the delimitation of frontiers.
