PARALLEL EVENTS

NGO Caucus

At the NGO caucus, members of civil society discussed the issues of resource mobilization. It was felt that Governments and the United Nations could do more to allow for the participation of civil society at such important meetings by making more resources available to them. Members decided to form a drafting committee, comprising representatives from India, Kenya and Finland, that would take contributions on civil society’s position on the various issues and prepare a statement for presentation to the Governing Council.

Eleventh meeting of UNACLA

The United Nations Advisory Committee of Local Authorities (UNACLA) held its eleventh meeting on 5 April 2005 in conjunction with the Governing Council of UN-Habitat. The members of UNACLA, including the leadership of the United Cities and Local Governements (UCLG), focused on the issue of decentralization on the basis of the report of the Executive Director HSP/GC/20/7. The new Guidelines on Decentralization towards the empowernment of local governments around the world is annexed to that report. The Executive Director, who is the convener of UNACLA, expressed her best wishes to the members of UNACLA, which this year is celebrating the fifth anniversary of its establishment.
