HSP/CPR/34/5

Nairobi, 24 September 2009
STATEMENT OF THE EXECUTIVE DIRECTOR
ON THE TOR FOR MTSIP PEER REVIEW

The Terms of Reference (TOR) for the Medium-Term Strategic and Institutional Plan (MTSIP) peer review were prepared in response to the Governing Council resolution 21/2 paragraph 18, which requested the Secretariat to establish a peer review process, in close collaboration with the Habitat Agenda Partners, on the implementation of the MTSIP.

The Terms Reference that was sent to you were discussed and approved by the MTSIP Steering Committee. Subsequently, they were submitted to the CPR MTSIP Working Group and reviewed in detail on 14 September 2009, under the Chairmanship of the US Permanent Representative, Mr. James Stewart. The Working Group reviewed the TOR, paragraph by paragraph, and the recommendations of the Working Group were incorporated. The final Terms of Reference have been submitted to CPR for consideration and approval.

It would be appreciated if the present session approves the Terms of Reference, to enable the review process to commence.

Thank you.
