### Key Implementation Task Year 1: Pre-Investment

- Engage UN-HABITAT Regional Offices and UN-HABITAT partners in scoping out potential bankable ERSO projects
- Develop partnership arrangements with IFI's, multilateral and regional banks
- Develop pipeline of 12 - 15 ERSO Project Profiles and 6 to 8 Business Plans (i.e. detailed project documents) in collaboration with Domestic Financial Institutions
- Fund raising with Donors and Foundations based on well-defined projects
4. ERSO Steering and Monitoring Committee (SMC)

- GC 21/10: “Requests the Executive Director…[to] establish a Steering and Monitoring Committee of 12 to 14 persons appointed in consultation with the Committee of Permanent Representatives”
- Advising the Executive Director on issues related to the implementation of activities of the ERSO Trust Fund, including policies, strategies, methodologies and actions to enhance the efficiency and effectiveness of ERSO programme of activities (OP)
- Constituting Meeting of SMC in Fall 2008

5. ERSO in Practice

- Focus market niche and streamline ERSO delivery models
- Focus on mechanisms to enable domestic financial institutions to provide financing for lower income housing, infrastructure and upgrading.
- Develop strong partnership approach
- Consider in-kind contributions of partner countries and national and local governments
- Emphasize focus on working through community group to reach low-income households

Targets for ERSO Operations

- Number of ERSO operations: 8-12 total, 2-3 in each of the 4 regions Africa, Asia, Eastern Europe, Latin America/Caribbean
- Envisaged total volume per operation: ~ US$ 2-5 Million
- Total ERSO contribution per operation: up to US $ 1.5 Million
- Envisaged private domestic capital mobilized per operation: ~ US $ 1-4 Million (target leverage factor: ~1:1-1:4)
- Number of households served per operation: ~ 200-500

ERSO Project Sequence

Conceptual Model of project elements and steps, (variations will occur in real-life cases)

1. Project Identification
   - Project Scoping
   - Development of Project Profiles

2. Project Selection
   - Review of Project Profiles
   - Due Dilligence Analysis
   - Project Selection

3. Project Development
   - Negotiation of Legal Agreements with Local
   - Development of Business Plan

4. Implementation
   - Funds Disbursement to Domestic Financial Institution
   - Technical Assistance Activities (TA)

5. Monitoring
   - Monitoring of Financial Streams (end-user loans, repayments) and TA
Purpose: Develop a Pipeline of potential Projects

- Consulting with SUF, WatSan Partners, UN-HABITAT Regional Offices and other units and outside partners to explore opportunities for potential ERSO projects based on existing partnerships
- Targets Q1/2 2008: Development of ~ 10 ERSO Project Profiles by 21 April 2008 and ~ 5 Business Plans by July 2008 in collaboration with Domestic Financial Institutions
- Consultations to develop partnership arrangements with IFI's, multi-lateral and regional banks

ERSO Project Scoping:
- Focus and Requirements

Focus:
Potential Projects that involve capital investments and leverage domestic funds for pro-poor housing, infrastructure and upgrading

Requirements:
- Potential to be successfully launched and showing preliminary results within the ERSO experimental period
- Availability of a sound domestic financial institution as implementing partner for seed-capital operations
- Support by National and Local Governments
- Existing relationships with communities
ERSO Project Development - Required Scoping Information

• Short Description of the Project(s)
• Type of Activity: Housing Construction/ Infrastructure/ Upgrading
• Share of Seed-Capital/Technical Assistance
• Expected duration of the project
• Financial volume of the project
• Local Partners involved: Type of organisation and key characteristics (e.g. Banks, MFIs, community-based organisations)
• Number and income deciles of clients to be served
• Type of contractual arrangements entered with Local Partners/financial relationships
• Potential opportunities for extension into ERSO

Integration of ERSO into UN-HABITAT Activities

Close integration of ERSO into the existing work of the organization, especially during the project development phase

ERSO will build on experiences gained in connection with:
• Water and Sanitation Trust Fund
• Slum Upgrading Facility
• Rapid Urban Sector Profiles (RUSPS)
• Initiatives in Training in Financial Management for Local Governments
• Global Land Tool Network (GLTN),
• Activities in Housing and Infrastructure Finance Policy
• Efforts to strengthen Urban Economies
