FOCUS AREA 2
PARTICIPATORY PLANNING, MANAGEMENT & GOVERNANCE.
The Vision

Strengthening the capacity of national governments, local authorities and other Habitat Agenda Partners to develop and implement norms, standards and guidelines toward sustainable urbanization through an integrated focus on land, housing, planning, environment, governance and management for all.
Planning which conceptualises the city as a WHOLE.

**UN-Habitat**

FOR A BETTER URBAN FUTURE
CHALLENGES

- Focus geographical & thematic approaches.
- Changing urban needs (financial downturn, food & energy crises, migration).
- Context specific planning. Appropriate to different needs & priorities.
- Responding to disaster prone & post-conflict scenarios.
- Planning for diversity (youth & gender).
SUCCESS STORIES

Lake Victoria, Kenya, Uganda & Tanzania. Promoting Environmental Sustainability

• Execution of rapid urban appraisals, urban planning & capacity building

Dar Es Salaam, Tanzania. A Safer Cities Initiative

• An urban safety & social cohesion agenda rather than isolated projects

Sorsogon, Philippines. A Climate Change Pilot City

• Participatory vulnerability assessments & city consultations
• Inter-departmental collaboration
UPDATE. WHAT’S NEXT?

- Define programmes to deliver expected accomplishments 2012 – 2013.
- Combine planning resources.
- Results based management & project evaluation.
- Strategic external partnerships.
- Internal and external capacity building in FA2.
- The UN as ONE UN.
